Women's Solar Power 101

A Community Education Series on Solar Energy

This Solar Power 101 is designed for women and reflects the theme of Women's History Month: *Women Taking the Lead to Save our Planet.*

The Basics of Solar Electric and Hot Water

Katharine Kent from The Solar Store will give a detailed overview of how solar energy works, what it costs, and who should go solar.

Energy Efficiency and Conservation

Gina Murphy-Darling—known as Mrs. Green—will discuss ways to save energy and money around the home.

City of Tucson

Office of Conservation and Sustainable Development

Nicole Urban-Lopez will give an update on what Tucson is doing to save energy and that are available to assist residents.

Solar Power for the Home - Getting Started

The basics of solar energy residential systems.

Thursday, March 11, 6-8 p.m.

Miller-Golf Links Branch Library

9640 E. Golf Links Road, Tucson

On the southside of Golf Links, just east of Harrison

Space is limited for this presentation
